Onomatopoeia | Teaching With Kids' Books

Here are some of my favorite kids' books for teaching point of view. "One of life's biggest challenges is accepting that there are numerous interpretations and that there is rarely one right way to view the world.

Point of View | Teaching With Kids' Books

When teaching kids how to comprehend and/or write fiction text, often times it's good to start with books and stories that have a clear problem and solution text structure.. This means that the story line introduces characters and a problem at the beginning -> the character(s) try to solve the problem in the middle, which rises to a climax -> and at the end, the problem is solved, with ...
