- Some IT companies provide user manuals etc or consider spending a short session in a pharmacy prior to locuming there. Even if unpaid it will save you time and stress in the future. Bookings When you accept a booking you have to understand what is expected of you. It is always best to have the details of the booking confirmed in writing.

Re: Help help!!! Pharmacy system Cool! Here in Scotland our EPS system has barcodes up the side of the script so that when you scan it, the patient's full information (including things like phone numbers which aren't on the script), the prescriber info and the drugs on the script are selected automatically.
